OFFER 3 BUY A HAND SCRAPER & SHARPENING KIT & RECEIVE A PAIR OF MECHANICS GLOVES FREE

Offer available during June - July 2019
or while stocks last.

Products	Code	Pack QTY	Order QTY
Hand Scraper & Sharpening Tool Kit	66261170592	1	<input type="text"/>
NORTON Mechanics/Contractor Gloves	07660768400	1	<input type="text"/>

FASTER CUTTING AND CONSISTENT BLADE SHARPENING

Norton Abrasives is excited to introduce our new Hand Scraper and Sharpening Kit. This new hand scraper design comes with a custom sharpening jig which provides a super sharp and consistent blade while eliminating the dangers of sharpening with a file by hand.

The ergonomic handle provides a comfortable feel and its flex allows for maximum scraping capacity. When the blade needs to be sharpened just attach it to the guide rod of the sharpening jig and after a few passes you are ready to go. The kit comes with two handles and two blades (one 3/4" and one 1-1/2"). Replacement blades are sold separately.

We are confident you will find the new Hand Scraper and Sharpening Kit provides a faster cutting and more consistent blade saving you time and more importantly eliminating the dangers of sharpening by hand.

FEATURES & BENEFITS

- Durable, ergonomic handle
- Two sizes of easy to sharpen steel blades
- Unique sharpening jig
